UNI-DOME RENOVATION PROJECT

Coinciding with the launch of the university's boldest and most ambitious fundraising campaign, UNI Athletics continues their part of the Our Tomorrow campaign focusing on renovations and updates to the UNI-Dome.

The UNI-Dome has been an iconic UNI landmark, a pillar in the community, and the home of UNI Athletics since its opening in 1976. As the facility approaches its 50th anniversary in 2026, UNI Athletics pursues a visionary campaign to keep the UNI-Dome thriving for the next generation.

An estimated 500,000 visitors each year come through the doors of UNI-Dome, with more than 200,000 of those being from outside of Black Hawk County. It is estimated the UNI-Dome generates $17 million annually in economic impact to the Cedar Valley.

In nearly 50 years of increasing demands and usage, the UNI-Dome has seen occasional updates and improvements, but never the kind of comprehensive renewal envisioned as part of the Our Tomorrow campaign. UNI Athletics plans to renovate and renew the UNI- Dome across several phases. Phase 1 of the project is complete and features the Van G. Miller Family Charitable Foundation Meeting Room. Also included in the $11 million first phase of renovations was replacing the UNI-Dome's fabric roof. The current fabric roof was installed during the summer of 2024 with a newer and more durable fabric to withstand cold winters and humid summers.

Work on Phase 2 began in early 2025 and includes new bowl seating throughout the UNI-Dome. Other seating bowl improvements include wider aisles, an even stair rise, handrails and additional ADA seating. The bowl improvements will allow for greater accessibility and better comfort while giving the UNI-Dome a cohesive look among seating areas. An expanded suite level and new club seating area will create a premium fan experience and bring in more revenue to support Panther Athletics and sustain UNI-Dome operations. Additionally, a new elevator will give fans access to the west side of the venue. A new graphics package across the UNI-Dome will transform the space and showcase the UNI Athletics brand.

Further improvements within Phase 2 include the construction of three new "party terraces" on the west side of the UNI-Dome and new, additional restrooms located at the northwest and southwest corners of the concourse. These new restrooms will be in addition to the existing restrooms, be built out from the existing footprint of the

UNI-DOME RENOVATIONS

building, and include both men's and women's restrooms in each location plus a mother's room and single-user facilities.

Future phases of the project will see a new track which will provide a championship level surface for competition while allowing UNI to host MVC, regional, national, and global track events plus many non-athletic events in the UNI-Dome. Other improvements include lighting, sound, LED displays, press box renovations, an east side elevator, northeast and southeast restrooms, entrances/concourse, and continued enhancements to the branding within the venue.

The UNI-Dome renovation will be funded primarily with private support. Multiple naming opportunities are available and can be accessed through the campaign website at www.unidomerenovation.com.

Donations to the project are tax-deductible through the UNI Foundation and can be made as a multi-year pledge. For more information and to view the renderings, visit the campaign site at unidomerenovation.com. Additional questions about the UNI-Dome renovation can be directed to Associate Athletic Director for Revenue Generation, Steven McKee, at steven.mckee@uni.edu.

MISSOURI VALLEY FOOTBALL CONFERENCE

Founded in 1985, the Missouri Valley Football Conference has shaped itself into the nation's premier NCAA FCS conference. In May 2025, the MVFC President's Council approved a new governance structure that recognizes the strong partnership between key multi-sport conferences and positions the league for continued success as the dominant conference in the FCS.

The agreement placed Jeff Jackson as the commissioner of the MVFC. Jackson has served as Commissioner of the Missouri Valley Conference (the all-sport league for five MVFC members) since July 1, 2021. The agreement further places Josh Fenton as the Executive Advisor for the MVFC. Fenton has served as Commissioner of The Summit League (the all-sport league for four MVFC members) since April of 2023. Notably, Kyle Grooms joined the football staff as Chief Operating Officer to further enhance MVFC leadership.

The change coincided with the retirement of MVFC commissioner Patty Viverito on June 30, 2025. Viverito had been the league's only commissioner, serving in that capacity for 40 years.

Last season, the MVFC extended its FCS-record to 14-straight title game appearances as NDSU defeated No. 1 seed Montana State in Frisco for the crown. Notably, the 2024 season marked the 20th title appearance for a league team. The league is 14-6 in title games, although Youngstown State (1991, 1992, 1993, 1994) and Southern Illinois (1983) both played in the championship prior to joining the league. All 20 of the league's title-game appearances have occurred since 1997.

The MVFC is 107-48 (.690) since 2010 in the playoffs -- which includes 18 intra-conference games (meaning the league is 89-30 against teams from other leagues for a phenomenal .748 winning percentage).

Since 2015, the MVFC has partnered with ESPN to distribute all league games on an ESPN platform (ESPN+ in 2024) and in August 2023, the Conference announced a multimedia rights extension with ESPN. The agreement features national linear and digital exposure for the Conference, beginning with the 2024 football season and extending through the 2029 season.

THE MVFC

In 2024, for the first time in the league's 40-year history, two regular-season Missouri Valley Football Conference home games were selected for national linear distribution.

There's not much that has eluded the Missouri Valley Football Conference in its first 40 seasons of competition. The league's first four decades have included national championships, national players of the year, national coaches of the year, No. 1 national rankings, and countless All-Americans. League member North Dakota State earned five-straight national championships from 2011-15, three-straight from 2017-19, and the league also has NCAA titles in 1997 (YSU), 2002 (WKU), 2021 (NDSU), 2022 (SDSU), 2023 (SDSU), and 2024 (NDSU). Indeed, all signs point to continued national prominence for the Missouri Valley Football Conference as it enters its 41st season in 2025.

In June 2008, presidents of the Gateway Football Conference and the Missouri Valley Conference approved a rebranding initiative that changed the football conference name from the Gateway Football Conference to the Missouri Valley Football Conference. It represented the second name change for the football league. Initially, the conference competed as the Gateway Collegiate Athletic Conference (1985-91) and the Gateway Football Conference (1992-2007).

JARED BRINKMAN
Two-time MVFC Defensive Player of the Year

Although the league shares the Missouri Valley name, the football-playing members compete under separate administrative umbrellas, as the Missouri Valley Conference and the Missouri Valley Football Conference remain separate entities.

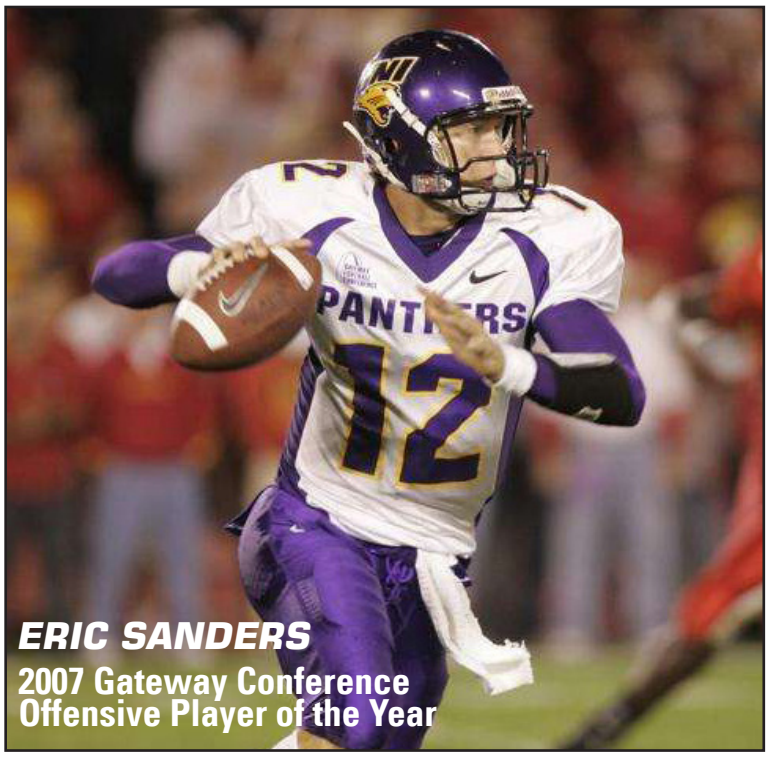
The Missouri Valley Football Conference has an FCS-best 14 national championships (North Dakota State – 2011, 2012, 2013, 2014, 2015, 2017, 2018, 2019, 2021 and 2024; South Dakota State – 2022 and 2023; Western Kentucky - 2002; Youngstown State - 1997), and league members Youngstown State (3) and Southern Illinois (1) own additional titles prior to their league membership, meaning 18 FCS championship trophies (of 47 total previous championships) are housed on league campuses, in addition to six (Youngstown State on three separate occasions, UNI in 2005, Illinois State in 2014, South Dakota State in Spring 2021 and North Dakota State in 2022) runner-up finishes. Only five FCS leagues possess more than a single FCS championship trophy, and the Missouri Valley Football Conference is among that elite.

The league has established itself as a leader among FCS conferences. Counting last year, an MVFC member has reached the FCS semifinals 23 times in the past 14 seasons (and 37 times overall). The MVFC has had two semifinal teams eight times since 2014 (and three in 2024).

The Missouri Valley Football Conference success is not limited to the immediate past. From 2010-19, MVFC teams compiled a playoff record of 67-28, and only one other conference (the CAA at 44-39) had a winning mark in that span.

Team accomplishments have helped solidify the Missouri Valley Football Conference among the FCS elite, but individuals at the league's member institutions are the real source of pride within the conference. Thanks to great players and strong coaching, the Missouri Valley Football Conference has reached and will maintain its place among the FCS best.

The original Gateway Conference was founded as a women's athletic organization in August 1982, following the dissolution of the Association of Intercollegiate Athletics for Women. In September of that year, Patty Viverito was named the first commissioner of the newly founded conference. Before moving to its permanent headquarters in St. Louis, the conference spent three organizational months on the campus of Eastern Illinois University.



In July of 1992, the 10-team conference disbanded as its women's programs realigned with their men's teams in their respective conferences. The league assumed its new name on July 1, 1992, becoming the Gateway Football Conference, an NCAA FCS football league comprised of seven Midwest institutions. In its decade of operation, the Gateway sponsored championships in 10 women's sports and football. The women's sports were basketball, cross country, golf, indoor and outdoor track & field, swimming and diving, tennis, softball, volleyball and, early on, field hockey.

The Gateway Conference football division was born on August 21, 1985, when the Gateway Conference President's Council voted to add an FCS football division for six of its members to the previously all-women's athletics organization. Founding members of the football division were Eastern Illinois, Illinois State, UNI, Southern Illinois, Southwest Missouri State (now Missouri State), and Western Illinois. The creation of the football division marked the first time in college annals that football was added to a women's conference. In June of 1986, Indiana State became the seventh member of the conference.

In the 40 years of the football division, league membership has been relatively stable. Eastern Illinois left the league to join the Ohio Valley Conference in 1996, while Youngstown State joined the conference in 1997 to return league membership to its original seven-member status. League membership reached what was then an all-time high of eight members for the start of the 2001 season with the addition of Western Kentucky. The Hilltoppers left the league after six years to join the Sun Belt (FBS). North Dakota State and South Dakota State joined for the start of the 2008 season, giving the league nine members for the first time. And the league expanded to 10 members in 2012 after the University of South Dakota was admitted. The University of North Dakota joined the MVFC for the start of the 2020 campaign to expand league membership to 11 institutions. Murray State University joined the league for the start of the 2023 football campaign, bringing league membership to an all-time high of 12 schools. Western Illinois played its final MVFC season in 2023 after departing for the Ohio Valley Conference for the 2024 campaign. Missouri State played its final MVFC season in 2024 as it joined Conference USA (FBS) for all sports of the 2025-26 season.

Five Missouri Valley Football Conference members also compete in the Missouri Valley Conference (Illinois State, Indiana State, Murray State, Northern Iowa, and Southern Illinois). Four league schools compete in the Summit League (North Dakota, North Dakota State, South Dakota and South Dakota State), while Youngstown State competes in the Horizon League for its other sports.

Members of the Missouri Valley Football Conference (and initial year of membership) include Illinois State University (1985), Indiana State University (1986), Murray State University (2023), the University of North Dakota (2020), North Dakota State University (2008), the University of Northern Iowa (1985), the University of South Dakota (2012), South Dakota State University (2008), Southern Illinois University (1985), and Youngstown State University (1997).

THE TEAM

TODD STEPSIS

HEAD COACH

29-31 Career Record
27-17 PFL Record
2x Pioneer Football League Championships
2x Pioneer Football League Coach of the Year

Todd Stepsis was named the 24th head football coach at the University of Northern Iowa on Dec. 3, 2024. Stepsis joins the Panthers after a six-year stint as the head coach at Drake University. He has also served as Drake's offensive coordinator for the past three seasons.

The Shelby, Ohio native guided the Bulldogs to consecutive appearances in the FCS Playoffs after winning back-to-back Pioneer Football League championships. Drake compiled a 16-7 record over that two-year span in 2023-24, including a 15-1 mark in conference play. Stepsis earned Pioneer Football League Coach of the Year honors for a second consecutive year in 2024.

Drake began the 2024 season with a 35-32 OT victory at Eastern Washington and later constructed a six-game, mid-season victory streak that included a 19-0 home shutout vs. Marist followed by a 22-19 win at perennial Pioneer Football League power St. Thomas. The Bulldogs clinched a conference title and another berth in the FCS Playoffs with a 49-10 victory at Stetson. In total, Drake held six opponents under 20 points during the 2024 campaign. Meanwhile, DL Finn Claypool was named a finalist for the Buck Buchanan Award for a second straight season. That honor is presented annually to the nation's top defensive player in the FCS. Claypool was a unanimous first-team All-PFL selection and concluded the season with 17.5 tackles for loss, 10.0 sacks and 10 QB hurries to go along with a fumble recovery and a forced fumble.

In addition to Claypool, six other Drake players earned first-team all-conference accolades in 2024. QB Luke Bailey and OL Bennet Krebs represented the Bulldogs on offense, while LB Stephen Adamski and K Shane Dunning and LS Brett Weising rounded out the Drake contingent.

"Cheryl and I are looking forward to cheering on Coach Stepsis and the Panthers under his direction," UNI President Mark Nook said. "We are pleased to welcome Coach Stepsis and his family to the Cedar Valley. Coach Stepsis has created an exemplary record of helping young men and football programs develop and grow during his previous coaching stops. We hope that he and his family will call the University of Northern Iowa and the Cedar Valley home for many years. We wish Todd and his family the very best as we embark on this journey together. Panther Proud!"

After opening the 2023 season with a non-conference slate that featured contests at North Dakota and a neutral site contest against South Dakota State, the Bulldogs rattled off eight straight wins to finish the regular season with an 8-3 mark. That record clinched Drake's first-ever berth in the FCS Playoffs and secured the school's first Pioneer Football League championship since 2012. Stepsis was named the unanimous choice for Pioneer Football League Coach of the Year honors, making him the first Drake football coach to earn that distinction since 2004. Meanwhile Claypool earned PFL Defensive Player of the Year accolades and Dunning was named the PFL Special Teams Player of the Year.

"This is an exciting day for UNI Football players, alumni, fans and donors as we announce the hiring of head coach Todd Stepsis," UNI Director of Athletics Megan Franklin said. "Todd is a mentor of men. His winning culture is predicated on the cultivation of the very best from the brotherhood of the team. Coach Stepsis has been a winner from his playing days to serving as head coach. His experience as both an offensive and defensive coordinator gives him a unique edge in the head coaching role.

"Todd is the absolute right leader of the next era of men in the UNI locker room and on the coaching staff, and he will embrace our storied alumni," Franklin continued. "Todd's vision to recruit and mentor men who lead on the field, on campus, and in the community will result in winning championships and graduating men of service to their families, professions and communities. Join me in welcoming Todd, Angie, Addison, and Avery, Zander, and Zoe to the UNI Panther family."

"On behalf of Angie and our family, we are extremely grateful to President Nook and Megan for extending us this tremendous opportunity at the University of Northern Iowa," Stepsis said. "I have a great appreciation for the winning tradition of UNI Football, as well as the litany of respected and highly successful head coaches who have held this role.

"As someone who has lived in Iowa for the past decade and who has recruited across the Midwest, I know the reputation of excellence that University of Northern Iowa carries as both an academic institution and as an athletic department," Stepsis continued. "We will seek to live up to that championship legacy and field teams that all UNI students and alums can be proud of. Angie and I are looking forward to raising our family in a community like Cedar Falls. We can't wait to get there to meet the team, the support staff and the fans. We're going to have a lot of fun together in the UNI-Dome!"

Stepsis was named FCS Region 4 Coach of the Year in 2023. His squad allowed a mere 12.1 ppg in conference play powered by Claypool, who

finished the campaign with 19.0 tackles for loss, 12.5 sacks, five forced fumbles and two pass breakups. Claypool concluded the regular ranked second among FCS defenders in sacks and fifth in tackles for loss. A year earlier Claypool was named the PFL Freshman Defensive Player of the Year.

Stepsis was named Drake's head coach on Dec. 21, 2018 after serving five seasons as the Bulldogs defensive coordinator. In his initial season at the helm, Drake tied for the second in the league with 21 all-conference honorees. The Bulldogs also landed three student-athletes on the CoSIDA Academic All-America Team, tying for the best mark among all NCAA Division I football programs.

As the defensive coordinator, Stepsis built the Drake defense into one of the nation's top units and coached a total of 42 all-conference selections, including the program's all-time leading tackler and 2018 Pioneer Football League Defensive Player of the Year, DL Nathan Clayberg. During that 2018 campaign, Stepsis' defense ranked ninth among FCS squads in scoring defense (19.1 ppg), ninth in total defense (296.0 ypg), sixth in rushing defense (96.8 ypg), 10th in interceptions (17) and 10th in tackles for loss (8.1 per game), while scoring three defensive TDs. DB Will Warner led the nation with 223 interception return yards and finishing second in the nation with a school-record eight interceptions.

In 2017, Stepsis' defensive unit led the PFL in total defense (335.3 ypg), pass defense (199.7 ypg) and first downs allowed (18.0 per game), while finishing second in the conference with 27.0 sacks.

Stepsis joined the Drake staff as defensive coordinator in 2014 following six seasons in the same role at NCAA Division II power Saginaw Valley State. During his tenure with that program, the Cardinals produced a 44-23 record, three consecutive division titles and three NCAA playoff berths. In total, he coached 37 defensive all-conference performers at Saginaw Valley State.

Prior to Saginaw Valley State, he coached at NCAA Division III Capital University in Bexley, Ohio for eight seasons. During that span, the program amassed a 57-20 record. Capital earned three straight NCAA Division III playoff berths from 2005-07, advancing to the quarterfinals in both 2005 and 2006. He began his coaching career at Otterbein University where he coached the top-ranked pass defense in the conference and helped the program to its first winning season in nearly two decades.

Stepsis graduated with magna cum laude honors from Ashland University, where he was a four-year member of the football team, in 1999 with a degree in special education. He also received a master's degree from Ashland in sport education. He and his wife, Angie, have two daughters, Addison and Avery. He is also father to a son, Zander, and daughter, Zoe.

POSTSEASON GAME RECAPS

2021

1st Round vs. Eastern Washington
Nov. 27, 2021 | Cheney, Wash.
Attendance: 3,845

UNI	0	7	0	2	9
EWU	**6**	**3**	**7**	**3**	**19**

Highlights: The UNI Panther defense held Eastern Washington to 412 yards and 19 points, where the Eagles usually averaged 563 yards and 46 points a game. EWU led all four quarters while UNI struggled to get momentum offensively. Quarterback Matt Morrissey replaced starter Theo Day but wasn't able to provide the spark the Panthers needed to knock off the No. 4 seed. EWU took the early lead with 26-yard pass from quarterback Eric Barriere to Nolan Ulm, but the Eagles missed the PAT. The Eagles led 6-0 at the end of the first quarter. EWU extended its lead with a 22-yard field to go up 9-0 before UNI got a touchdown of its own. Sam Schnee scored his fifth touchdown of the season with a 14-yard pass from Theo Day. A Matthew Cook PAT closed the scoring gap, 9-7. EWU's quarterback Barriere escaped multiple Panther tackles to run it in 18 yards and give the Eagles a bigger lead with 7:47 left in the third quarter. EWU led 16-7 after the PAT. Just four plays into the fourth, EWU's Wyatt Hawkins made a 30-yard field goal to give the Eagles a 19-7 lead. UNI's fourth and goal play was unsuccessful from the 3-yard line with 4:20 left in the game. UNI kept EWU pinned near the goal and gave up a safety to UNI's Bryce Flater. EWU continued to lead, 19-9. This was UNI's 22nd appearance in the FCS Championships. Montana is the only team with more playoff appearances with 25.

2019

Quarterfinals vs. James Madison
Dec. 13, 2019 | Harrisonburg, Va.
Attendance: 8,741

UNI	0	0	0	0	0
JMU	**7**	**3**	**0**	**0**	**17**

Highlights: The UNI Panther defense held James Madison to 27.1 points below its season average and to the lowest point total since only scoring 13 points against West Virginia in the season opener, but couldn't muster the offense to compliment the stifle defense after being decimated by injuries. The Dukes scored late in the first quarter, added a field goal in the second quarter, and led 10-0 at the half. The Panthers held JMU out of the end zone until the final minutes of the game when UNI turned the ball over on downs on the one-yard line in a last-ditch effort at the end of the game. The Dukes scored on the ensuing play to fix the final margin of victory.

2nd Round vs. South Dakota State
Dec. 7, 2019 | Brookings, S.D.
Attendance: 4,102

UNI	**0**	**3**	**7**	**3**	**13**
SDSU	7	0	0	0	10

Highlights: Trevor Allen rushed for 90 yards and scored a touchdown and the Panther defense tallied three takeaways and held South Dakota State to just 89 yards in the second half to earn a 13-10 win over the Jackrabbits in the second round of the FCS Playoffs Saturday in South Dakota. The game looked to be well in hand for the Jackrabbits early in the first quarter when they drove the field to score on their first drive and added a field goal on their second to take a 10-0 lead with 5:52 left in the first quarter. From that point on, UNI held SDSU off of the scoreboard and to just 157 total offensive yards. UNI received the second-half kickoff and produced a dominant, 10-play, 75-yard drive that saw five rushes and an eight-yard first-down reception by Allen. The drive culminated in a two-yard Allen touchdown with 9:20 left in the third to tie the game at 10-10. Mathew Cook hit the 18-yard go-ahead field goal with 2:10 remaining in the game to give UNI the 13-10 lead and the win.

Varner stepped in front of a Trey Elder pass to put the Panthers in position to retake the lead. Senior running back David Horne did just that when he scored from two yards out with 8:20 left in the second quarter. The Panther defense came up big again late in the second quarter. Senior linebacker Darin Heideman forced a fumble and junior safety Matt Tharp jumped on the ball to give the Panthers another short field. Highlights: UNI's season came to a close at third-ranked and second-seeded Delaware. The first major snow storm of the season snarled travel plans on the East Coast, delaying the Panthers' departure on Friday and forcing the team charter to fly into Baltimore, Md., followed by over an hour bus ride to Newark. The game's kickoff was delayed by half an hour, allowing UD staff to clear snow off the field. Though it stopped snowing prior to kickoff, a stiff wind caused havoc in the kicking and passing games. To make matters worse, UNI quarterback Tom Petrie was suffering from the flu and with a high temperature. The Panthers fell behind 17-0 with 4:42 left in the first quarter. The Blue Hens scored on a two-yard run with 9:17 left. Following a blocked UNI punt that was returned to UNI's nine yard line, and a pass interference call in the end zone, UD went up 14-0 on a three-yard run at the 6:24 mark. Benny Sapp fumbled the ball on the ensuing kickoff return, eventually resulting in a UD 24-yard field goal. The Panthers got back in the game when Petrie scored on a one-yard run with 13:50 left in the half. The score followed a Blue Hen fumble recovered by Kevin Stensrud on the UD 49. UNI had a chance to pull within 17-14 or 17-10 with just 4:09 remaining, but Petrie's pass to Marlus Mays was intercepted on the two yard line, and the Panthers never really threatened after that.

EIU	7	13	8	14	43

Highlights: UNI won just its second FCS road playoff game in history when it outlasted No. 3-ranked Eastern Illinois. UNI's 49 points scored tied a school playoff record for points, matching the 49 scored against Arkansas State in the 1987 quarterfinals. EIU's J.R. Taylor broke loose for a 49-yard rushing TD with 5:03 left in the second quarter to pull EIU within two points. A one-yard plunge by UNI's Adam Benge with 2:33 left put UNI up 23-14. Eastern closed ranks again with a 39-yard pass play, but UNI's Adam Vogt blocked the PAT attempt and Daryon Brutley returned it for two UNI points. UNI never trailed in the second half, but EIU did close the gap to three points, 39-36, with 14:08 left in the game. After UNI went up 49-36 with 6:58 remaining on Mackenzie Hoambrecker's 27-yard field goal, EIU ended all scoring with 3:27 left on a three-yard pass play. The Panthers were able to run out the clock for the victory.
